

Expression of Interest

New Zealand U21 Squad Physiotherapist Fixed Term, Part Time – 1st July – 31st December 2024

Expressions of interest are now being called for the position of New Zealand U21 Physiotherapist. This is an exciting opportunity to not only work with New Zealand's future Silver Ferns but also to play a key role in the 2024 NZU21 squad campaign as they prepare for the World Youth Cup in Gibraltar in September 2025.

The New Zealand U21 Physiotherapist will lead the squad in relevant Netball New Zealand Female Athlete Health (FAH), Wellbeing and Physiotherapy programme for the U21 squad in consultation with the NNZ Lead Physiotherapist and Sports Medical Director.

The successful applicant will hold a New Zealand recognised Physiotherapy qualification, (minimum of 5 years), have a current New Zealand APC (Annual practicing certificate) and have experience working within the High Performance environment, ideally Netball. They will be a sound clinician, a strong team player and an experienced and skilled communicator.

This is a fixed term part time contract covering camps and tours and a physiotherapy co-ordinating role (half a day a week). The contracted position requires the successful applicant to be available for all squad camps and tours this year. With a view to extending the contract next year to the U21 World Cup.

Dates to be finalised:

7th – 10th August – Squad Camp

16th – 24th August – Tour Fiji (TBC)

October – Squad Camp

If you believe you have the right attributes, knowledge, and experience to add value to the NNZ High Performance Programme, please send a cover letter and curriculum vitae to:
