

Magic Zone Performance Level 1 Programme 2017/18

PURPOSE OF PERFORMANCE LEVEL 1

To develop pre-elite netball skills to manage increased physical and mental demands.

- Optimise the development of individual conditioning, positional, team and competition skills to gain selection for Netball New Zealand Emerging Talent Development Squad (NNZETD).
- The quality of the programme content is ensured through delivery by qualified personnel identified by the Magic Zone and Netball NZ.
- Players will be screened, tested and coached game skills, performance standards and training habits. Information will be collated for individual Player Profiles.
- Players will attend 2 camps run by the Magic Zone on 29 October and 5 November, the cost for the 2 camps will be \$130. The cost includes full testing and physical screening, position specific and tactical coaching, game play and a Squad singlet.
- Based on the Players capability, Magic Zone selectors will identify players to be nominated from the Magic Zone for the NNZETD squad. NNZ will make the final selection of the squad to be named on November 9. The camp for the NNZETD will be held in January 2018 the cost for this 4 day camp is \$900.

Selection

- Up to 60 players throughout the Magic Zone will be selected for the Performance Level 1 Squad. Selection is based on observations from Magic Zone selectors at the following tournaments: 1. Zone Cluster Tournaments (in 2017 held at Harbourside and Rotorua) and Netball NZ's U17, U19 UNISS and NZ Secondary Schools Tournaments. Individual Player selection profiles are available by request at any time to promote transparency.
